Deputy Director (Administration)

14 September 1951

Legislative Counsel

CIA Construction -- Weekly Report #6.

1. The Military Construction bill is in conference between the Senate and the House, but this conference does not affect the CIA item in any way.

2. The House Appropriations Committee has started hearings on the appropriations for this measure, but CIA has as yet received no word as to what steps are to be taken in connection with our appropriation for our construction.
